

**INFOMESEN PEPA BILONG OL LAIN HUSAIT BAI STAP INSAIT LO DISPLA WOK  
PAINIM AUT**

**HET TOK:** KOVID-19: Hevi we ol meri i bungim lo time blo KOVID-19, na how ol i respond, na impact blo em lo Indo-Pasifik

**NAMBA SHOWIM OLSEM DISPLA STUDI KISIM TOK ORAIT LO HUMAN RESEARCH  
ETHICKS KOMITI EM:** 2021/147

**OL OLAIM GO PAS LO STUDI:**

Prof. Sara Davies and Assoc. Prof. Robin E Roberts

Der ol meri husait joinim displa studi,

Mipela I invitim yu lo joinim mipela insait lo wok painim aut insait lo Papua Niugini we mipela I toktok moa lo tamblo.

**Wanem as blo displa wok painim aut?**

Displa sik KOVID-19 i mekim na prise blo kaikai go antap na sampla lain painim hard tru lo painim kaikai. Sapos ol manmeri gat inap kaikai, em bai ol kam out lo poveti. Lo regen blo yumi, ol meri na pikinini i painim hard tru lo painim gutpla kaikai lo time blo KOVID-19. So em important tru lo save lo ol hevi ol manmeri bungim lo time blo displa sik KOVID-19. Lo time blo displa sik, ol meri i bungim planti moa salens than ol man lo painim kaikai – lo side blo agriculture na arapla rot we yumi save kisim kaikai tu em hard. Kain salens olsem rot blo kisim moni, sid blo planim, na maket blo slaim kaikai em hard stret. Kain samtin olsem KOVID-19 em bikpla sik tumas. Em mekim na ol boda blo kantri pas, lokdaun kamap, na mekim rot blo painim kaikai or maket hard tru.

Displa research em mipla kamapim lo painim aut wanem kain ol hevi ol meri bungim lo time blo KOVID-19. Mipla laik save lo wanwan stori blo ol meri husait i painim hard lo painim kaikai na moni lo taim blo displa sik.

**Husait mekim displa studi?**

Australian Centre blo Internesinol Agriculture Research i fundim displa research, na Griffith Asia Institute lo Griffith University, lo Brisbane, Australia, i mekim displa research. Ol lain go pas lo displa research em Professor Sara Davies na Associate Professor Robin E Roberts.

## **Why ol askim mi lo stap insait lo displa studi??**

Ol askim yu lo stap insait lo displa studi bekos yu gat experience lo mekim gaden or wok lo fam, na tu yu pilim impact blo displa KOVID-19 lo laif blo yu na famili.

## **Husait bai go pas lo displa fokas group discussion?**

Wanpla researcher lo kantri blo yu yet bai go pas. Name na contacts blo em: Naomi Woyengu Email: [nazvhi.woyengu@gmail.com](mailto:nazvhi.woyengu@gmail.com) Mobile: +675 7334 6151

## **Wanem kain samtin bai ol askim mi lo mekim?**

Ol bai askim yu lo stori lo espiriens blo yu yet lo time blo KOVID-19.

## **How long bai displa studi i takim?**

Mipla markim 60-90 minis lo displa studi. Displa seson bai kamap lo kominiti blo yu yet.

## **I gat sampla hevi bai kamap lo ol lain husait it joinim or sharim tingting blo ol lo displa studi?**

Mipla ino ting olsem sampla hevi bai kamap lo yu taim yu joinim displa studi. Tasol sapos yu stori lo esperiens blo yu, na yu or famili blong yu pilim karanage na nidim sampla helevim or konseling, kontaktim Haus Kuk Initiative. Go lo Facebook lo displa link <https://www.facebook.com/pg/theinitiativeprojectpng/posts/> or ringim displa namba (+675) 7334 61645.

## **Wanem gutpla samtin bai kamap lo displa studi?**

Displa studi bai recordim ol hevi or experience ol meri bungim lo time blo KOVID-19. Em bai helpim ol manmeri lo plan gut so next time wankain sik or bagarap i kamap ol i bai redi.

## **Em orait lo mi lusim displa discusen sapos mi ino pilim orait?**

Sapos yu wanbel lo stap lo displa studi, but namel lo studi yu laik lusim group, yu ken lusim group.

## **Ol informasen blo mi ol i kollectim ya, bai ol mekim wanem lo en?**

Ol informasen blo yu bai nonap kamap publik. Bai mipla rausim name blo yu, na olgeta informasen bai mipla holim lo Griffith University. Ol lida blo displa studi tasol bai gat password blo komputa we informasen i stap. Informasen bai stap lo komputa inap 5 pla yia, na behain lo displa bai mipla destroyim sapos mipla no needim moa. Informasen na results blo displa studi bai mipla usim lo skulim ol manmeri, writim ol pepa, na toktok lo ol konfrens, but bai mipla nonap givim informasen blo yu lo publik.

## **Sapos mi gat sampla askim, bai mi toktok lo husait?**

Sapos yu gat sampla askim or wari lo displa studi, toksave lo ol lida blo displa studi. Name blo ol em Professor Sara Davies ([sara.davies@griffith.edu.au](mailto:sara.davies@griffith.edu.au)) na Associate Professor Robin E Roberts ([robin.roberts@griffith.edu.au](mailto:robin.roberts@griffith.edu.au)). Yu ken toktok tu lo Naomi Woyengu, husait i wok lo HausKuk Initiative ([navzhi.woyengu@gmail.com](mailto:navzhi.woyengu@gmail.com)) lo Madang, Papua Niu Gini. Sapos yu laikim pepa blo displa studi yu ken kisim lo lida blo displa studi - ol lain husait igo pas tru.

**Sapos mi gat sampla bel hevi or bel wari, bai mi toktok lo husait?**

Taim Griffith University save mekim research, ol i save behanim nasonal tok orait (2007), we igat sampla lo blo mekim klia ol manmeri husait i joinim kain studi mas noken kisim bagarap. So sapos yu gat sampla askim or bel hevi, yu mas toksave lo lida lain or Principal Investigators. Sapos yu laik toktok lo arapla lain husait i no part blo displa studi, contactim Secretariat blo Human Research Ethics Komiti lo phone namba +61 7 373 4375 or salim email go lo [research-ethics@griffith.edu.au](mailto:research-ethics@griffith.edu.au). Ol complain yu salim go bai nogat man or meri mekim displa studi bai save. Behain i bai gat wok painim aut lo lukim sapos ol i mekim sampla wrong. Ol bai toksave lo yu.

Tenkyu tru,

**Professor Sara Davies**
